## Leadership Solutions for Professional Women

**Leaders can feel isolated...and alone in their decision-making.**

*A unique power is unleashed when motivated women blend their innovative thinking skills.*

## Leadership Solutions

### Imagine This

Think about having your own confidential advisory group of 6 – 8 incredible women who meet for three hours monthly to share leadership solutions for your professional issues.

This collective synergy will help you tackle challenging issues, overcome obstacles, and achieve new levels of success in today's fiercely competitive and complex business environment.

### A Personal Think Tank

Your leadership group will be comprised of women from non-competing businesses who are carefully selected to ensure a very high trust level and complementary mix of skills and personalities. Membership is by invitation only and is extended to women at similar professional levels.

## DYNAMIC MONTHLY SESSIONS

- **Leadership Mini-Clinic** – Learn current strategies for effective leadership.
- **Leadership Roundtable** – Receive feedback and support for professional issues.

## High Return On Your Investment

- **Confidential business advice**
- **Up-to-date leadership training**
- **Conflict management skills**
- **Preparation for the next level**
- **Accelerated business growth**
- **Improved work/life balance**
- **Increased success!!**

## Added Benefits

### LEADERSHIP RETREAT

Annual 2 - 3 day retreat for professional renewal and rejuvenation.

### RAPID RESPONSE MEETINGS

Called when you have a critical issue for which you would like immediate and confidential input from your group.

### PRIVATE COACHING

Business and life coaching offered to members at a reduced rate.
